**Plan Your Gift**

Please consult your attorney, accountant or financial advisor to discuss what the tax advantages might be for the following methods of giving. Suggestions provided here are merely to serve as illustrations and accommodation and not legal or financial advice.

**A simple bequest through your will or trust**

"I give (amount, percentage or residue) to FOTTPAM Fed Tax ID #46-2133238) for support of the mission and work of the Tubac Presidio and Museum.

**Publicly traded securities**

A gift of securities may provide significant tax advantages by avoiding capital gains. Please call (520) 398-2252 for transfer instructions of securities from your broker.

**Retirement funds**

Simply name FOTTPAM the beneficiary of any or all funds remaining at your death.

**Required Minimum Distribution (RMD)**

If you are required to take a minimum distribution from your retirement account, federal law allows you to designate a portion of the funds you must withdraw as a Qualified Charitable Distribution (QCD). This may decrease your taxable income.

**Gifts of Property (in-kind, non-cash, artifacts)**

Gifts of property are reviewed and approved by the FOTTPAM Board of Directors. You are responsible to either assign a value or seek an appraisal for any gift of property you wish to use as a tax deduction.

**Life Insurance**

A gift of life insurance is a simple way to ensure your legacy at the Tubac Presidio and Museum. Simply purchase a policy and make FOTTPAM the beneficiary of your policy.

**Donor Advised Funds**

If you have a donor advised fund, simply contact your fund administrator and request that a grant be made to FOTTPAM. Since you have received your tax deduction for this gift, you are simply directing it to support the Presidio. Please advise us when you have requested a distribution to FOTTPAM.

No matter how you make your gift, know it helps keep history alive.
